

## **ROBERT GLENN BENGSTON**

Continuing with the sad news, we now pay our last tribute to another friend and classmate, BOB BENGSTON. Bob was killed in an aircraft accident while operating off the USS RANGER in WestPac. The description of Bob in our *Lucky Bag* serves as a most appropriate eulogy: "Good Ole Bengster - his winning spirit will make him more than a match for anything in the future." It was unfortunate that his future was so shortlived. Bob is survived by his widow, two children and parents, Capt. and Mrs. R. C. Bengston of Arlington, VA. To them we extend our deep sympathies.
