Navy Blue and Gold

Now, college men from sea to sea
May sing of colors true;
But who has better right than we
To hoist a symbol hue?
For sailor men in battle fair,
Since fighting days of old,
Have proved the sailor's right to wear
The Navy Blue and Gold.

Four years together by the bay
Where Severn joins the tide,
Then by the Service called away
We're scattered far and wide;
But still when two or three shall meet
And old tales be retold
From low to highest in the Fleet
We'll pledge the Blue and Gold.

So hoist our colors, hoist them high
And vow allegiance true
So long as sunset gilds the sky
Above the ocean's blue.
Just let us live the life we love
And with our voyage through
May we all muster up above
A-wearing Navy Blue.
