

1959 Football Varsity

- By the start of our 1/c year, 20 of us were on the varsity (with the addition of Jim Dunn (Captain), George Bezek, Tom Solak, Paul Mankowich, Bill Thomas, Lou Schreiffer, and Cal McConnell)
- Later in the talk I'll talk about the future accomplishments of those 20 classmates as a group as well as some fine athletes from other sports to show that they, like all of us in the class, exemplified fulfilling the Mission of the Naval Academy!
- Dick Pariseau and Don Boecker can answer your questions about the exploits of the 1959 team. A film showing highlights of the season will be shown later.
