

1960 Olympic Crew Team

- This photo shows the Navy crew that won the US Olympic trials beating Cal and went on to represent the country in the Rome Olympics.
- Lyman Perry, Skip Sweetser and Pete Bos (Captain) were on that team.
- Our plebe year team won the Freshman IRA championship and included, in addition to the three on the Rome team, Bill Parlette, Jim Wootten, Frank Kay, Roy Smith, Walt Land and John Sammon – most went on to exceptional careers later in life.
