

1. Election of Class Officers

In this 65th year since graduation, the Board of the Class of 1960 has accepted the recommendation of its Nominating Committee to continue the appointments of existing class officers for life or until such time as they decide to vacate their position(s). If any officer decides to leave his position or otherwise becomes incapable of performing his duties, the Class President is authorized to select a replacement, with the approval of a majority of the Class Board.

If the Class President decides to step down or is otherwise rendered incapable of performing his duties, the Class Vice President will assume the President's duties on an acting basis until such time as he is formally appointed President by a majority of the Class Board. He will then select a replacement for the Vice President position in accordance with the procedures outlined above.
